### ROLL CALL

Present — Commissioners Maynard, Bidwell, Winegardner—(3).

Ex-Officio Hayes, Sanderson—(2).

Absent — Commissioners Gordon, Hill—(2).

Ex-Officio Leyrer, Thornton—(2).

It was moved and seconded to recommend to City Council that the City property on the northeast corner of Saginaw and Westmoreland be used for off-street parking.

Carried.

It was moved and seconded to recommend to City Council that the City Parking Lot in the rear of the 900 block of W. Saginaw Street which fronts on Englewood Ct., be metered or that an agreement be entered into between the City and the merchants for payment of \$150.00 per month by the merchants to the City to keep the lot for free parking.

Carried.

It was moved and seconded to recommend to City Council that thirty 5 penny/1 nickel/1 hour parking meters be put on the City Parking Lot on the north side of the alley at the rear of the businesses on the north side of the 2000 block of E. Michigan Avenue.

Carried.

It was moved and supported to advise City Council that the Commission understands that no funds are available to purchase property for off-street parking in the rear of 1010 W. Saginaw Street.

Carried.

It was moved and seconded to recommend to City Council that in view of the low return from the attendant operated City parking lot in the 200 block of S. Grand Avenue (1861) House, City Council review the operation of this lot to determine if it would be feasible to install parking meters or to lease it to a private operator with the understanding that the daytime rate would remain 10¢ per hour and the evening rate 25¢ all night.

Carried.

It was moved and supported to remind City Council of a letter sent on December 17, 1956, asking if a policy had been set up relative to City off-street parking in outlying areas.

Carried.

It was moved and supported to advise City Council that the Commission understands that funds are not available for purchasing property for off-street parking in the rear of stores in the 1200 block of W. In view of the offer from the merchants contained in the letter to the City Council the Commission feels it would be more advantageous for these merchants to work out their own deal for this property.

Carried.

The secretary was instructed to investigate the future of the Commission.

Meeting adjourned at 2:40 P.M.

Respectfully submitted,

MUNICIPAL PARKING AUTHORITY COMMISSION,

Allen T. Hayes,  
Secretary.
